I'm totally a beach girl! I grew up in Myrtle Beach and then we moved to a remote part of the Outer Banks in North Carolina. I love it here! There's nothing I love more than going out to the beach by myself at night and dipping my feet in the water! It's so scary because there are DEFINITELY sharks here, but I like to be wild, you know? And, because of the sharks, there's never anybody on the beach at night. So, I like to go out alone and imagine sailing away on a pirate ship!

Well, one night I was doing that, with my feet in the water and my back to the beach, just staring out over the ocean. Suddenly I heard someone coming up behind me! I was kind of scared because I was thinking about pirates, and I thought I might be in danger! Suddenly, this person — I guess it was a guy — just wrapped his arms around me and said, "Ssshhh."

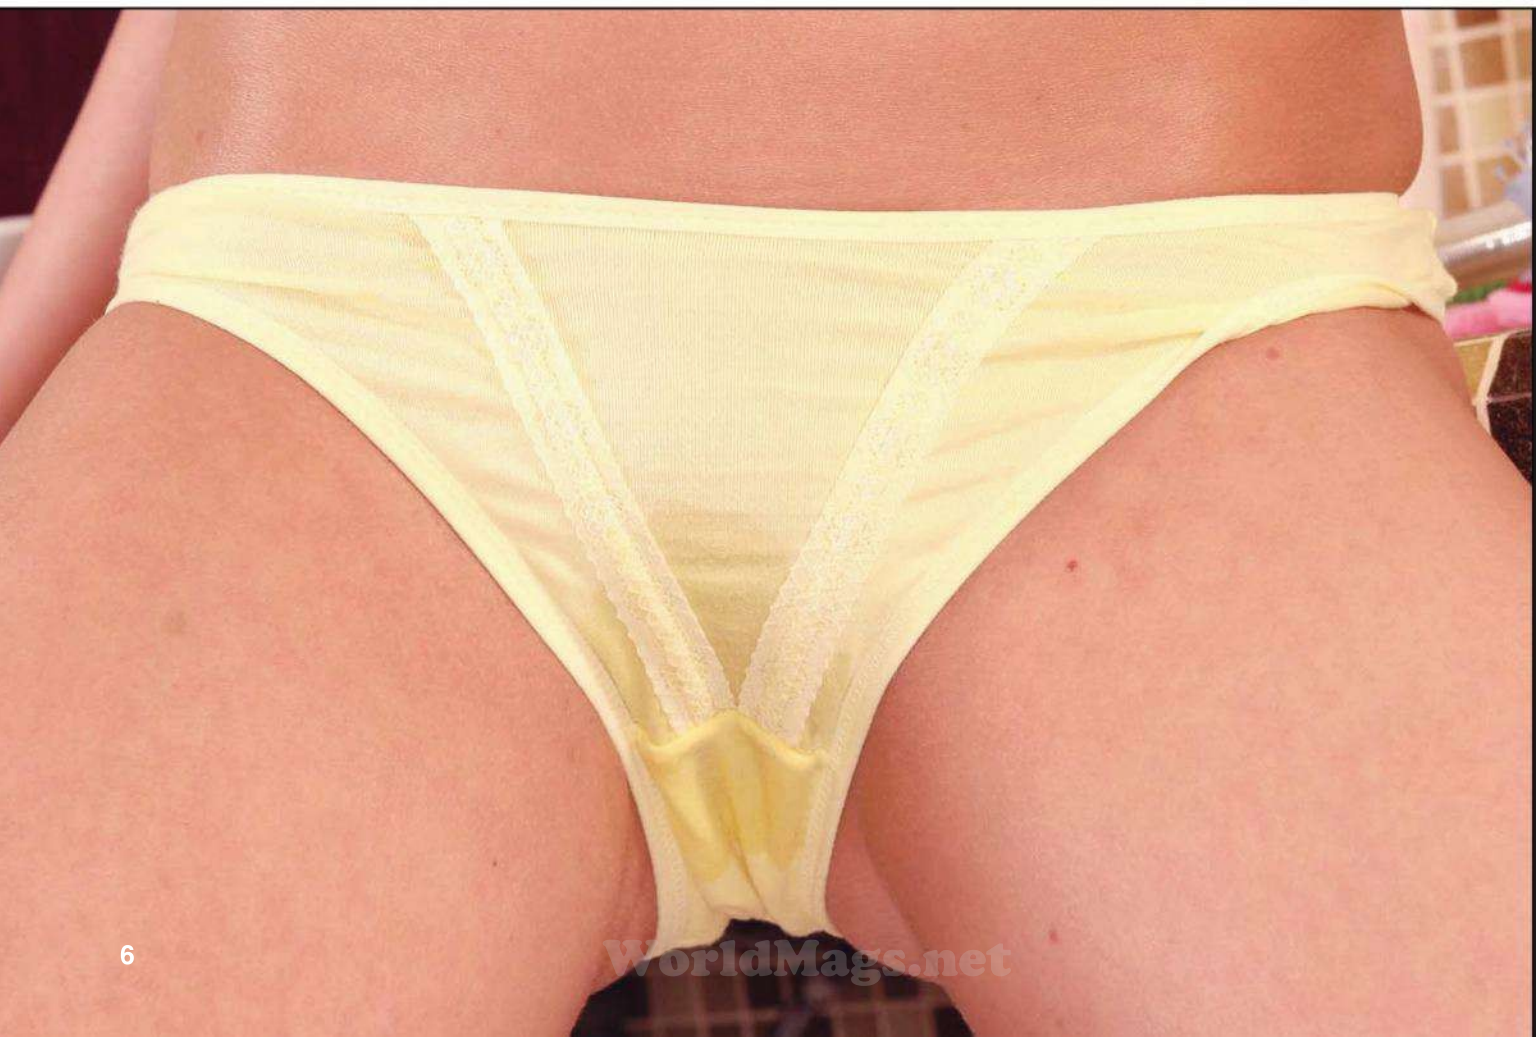

I was kind of freaked out BECAUSE I didn't know if he was gonna' murder me, so I just stood there. I could feel that this guy was pressing something hard up against my back and rubbing it on me, and I thought maybe it was a gun or a knife. It took me a minute to realize it was his COCK!!!

As soon as I figured that out, I wasn't scared anymore, because it's not hard to figure out how to handle THAT! I know what cocks want from me — my mom's boyfriend showed me a long time ago, and it's super easy! I took off my bikini top, turned around without even looking at the guy, and got down on my knees. He whipped his cock out of his jeans and it was a pretty nice one too — kind of medium-sized and really straight, and hard as a piece of driftwood. He didn't say anything, so I just grabbed it and stuck it in my mouth and started giving him a SUPER good BJ! I could tell from his breathing he TOTALLY liked it.

I wondered if this guy thought he was gonna like rape me or something mean like that, but you know what, you can't rape someone who really wants to suck your cock! Then it's just sexy! I don't mind sucking on a cock, it's kind of fun actually! After a few minutes, I stopped to give my jaw a break and let him rub his cock all over my boobs, and I thought then I'd suck on him some more, but before I could get it back in my mouth, he grabbed it and let it spew its milk all over my boobs! I always thought I was supposed to swallow that stuff, so I just scooped it up with my fingers and ate it to be sure I was doing it right!

Then, I put my bikini top back on and by the time I looked back up, that guy was already walking away down the beach! I never even saw his face or heard him say a word! It was kind of weird I guess, but pretty hot and I realized I'd like to do that with more strangers. So hey, if you guys are reading TIGHT and you like your cock sucked by a stranger, just find me on the beach on The Outer Banks!

I've always wanted to be a filmmaker.

I love movies and obviously, film people make TONS of money! I work at the mall, but I don't make that much, so right now I can't afford a camera or anything. But one time, I was at the camera store, and there was this older guy behind the counter. His name was Fred Horn and he asked if he could help me with anything. I told him how I want to make movies, and he said he had a lot of equipment at his apartment, and if I wanted to learn how to use it, he'd show me the set of a movie he was making! When I got to his house, he had all this filming equipment set up! Like a nice camera, light diffusers, all kinds of stuff. It was weird though because there wasn't really a set. It was just his living room. Which was nice, don't get me wrong, but it wasn't a movie set.

Fred said it was because he was shooting a reality film, and he asked if I wanted to star in it! I was like, YEAH! So, he turned on the camera and asked me questions, like how old I was, what my favorite color was... Then he asked if I'd ever had sex! I was like, "Well, NO. But..."

And then Fred came over and started ripping my clothes off! I was like, "Whoa, what kind of movie is this?"

Fred goes, "It's the kind where you lose your fucking cherry, ya' dope!"

I thought, 'well, I guess this is one kind of movie. I can learn from this.' And, I was already 18, so I figured it was time for me to lose my virginity ANYWAY! He was kind of old and bald, but, hey, whatever! Experience is good!

Fred had me bend over the couch, and he stuck his face in my crotch! I could feel his nose touching my butt and his mouth on my cooter! It felt pretty good, so I relaxed and got into it. Then, he turned me around and said, "Have you ever seen one of these before?" He showed me his penis! I HAD seen a penis before but it wasn't nearly as big as this one! He waited till I opened my mouth to say "no," and stuck his penis INSIDE my mouth! He got it all slobbery, and then bent me over the couch again and stuck his slobbery penis inside my cooter! I thought losing my virginity would hurt, but instead, his penis slid right in, no problem! I guess I was ready for it! I could feel it moving in and out, and it felt like his penis got even BIGGER and like it was going to burst! Then, he pulled it out, turned me around real fast, and sprayed the goo into my mouth!

I was NOT expecting that! I choked a little, and Fred picked up the camera and put it in my face. "How was that?" he asked.

I was like, "That stuff tastes GROSS!" Then, Fred laughed and turned off the camera.

I didn't see Fred again, but I learned that making sex movies is easy and fun, so I decided that's the kind of film I'm gonna' make! So, I'm doing some modeling for TIGHT magazine and hoping some other people who make sex movies will want me to help them!

Isn't it annoying when you're, like, busy getting down with yourself... and somebody knocks on the door?

HATE that! You're watching porn, or using your vibrator, or just touching yourself, or whatever, and you're really into it, and then suddenly, "Knock knock knock!" UGH! It happens to me a lot. I think maybe it's just because, well, I spend a lot of time masturbating! So what? I'm young and I like rubbing my clit or using a dildo to have sex with myself, and I especially love using my vibrator! Especially in the summer when I'm out of school and my parents are at work, I spend a LOT of time masturbating. This one day, I had my vibrator going in the living room and suddenly, "Knock knock knock!" Somebody's at the door. I ignored it, but they kept knocking! I thought maybe it was something important, so finally I got up, pulled my skirt down, and answered it.

It was just the UPS guy! I was SO mad! Like, I don't care what's in that package, it can't be more exciting than what I was doing! But then, I thought, wait, I bet this guy has a whole OTHER package I could use! So, I asked him to come in and put the delivery on the table. As soon as he walked through the door, I closed it behind him. He was like, "Miss, I have to get back to my truck."

I said, "Well, it can wait for a few minutes. I just have to finish something." I turned around, put my hands on the door, stuck my butt out, and lifted up my skirt so he could see my pussy! It was swollen and wet since I'd just been masturbating, and I knew he wouldn't be able to resist!

Sure enough, he came up and put a finger inside my wet pussy! He made this groaning sound, and then I heard a little "zip" as he took his cock out. I wanted to see what it looked like, but he held my hands tight against the door so I couldn't move, and just shoved his cock inside me! It felt like it wasn't really that big, but then again, I was so wet already I couldn't really tell.

This guy was BRUTAL! He was humping me so hard that the door was shaking and I was almost screaming. He was inside me really, really deep, and it was so hot I almost passed out a few times. I think I had like four orgasms! I was fucking this

stranger whose cock I hadn't even SEEN! And then — I couldn't believe this — he pulled out, spit on his dick (at least I think so, that's what it sounded like), and then stuck it in my BUTTHOLE! I was so surprised! I've never done that before and I thought it would hurt, but it didn't! Actually, it felt REALLY good and I had another orgasm!

Then, he pulled out, whirled me around, pushed me down, and jerked off his cum all over my face! It was so hot I had another orgasm without even touching myself! After I swallowed his cum, I finally got a good look at his cock. It was pretty normal-sized, I guess, but that guy sure knew how to use it! Even in my BUTT!

Anyway, he said thanks and walked out. I decided I really like having sex with strangers — even more than masturbating! And now, I want to try anal sex more! I hope some of you guys like butt sex, because I really want to do it a lot now!

I'm probably one of the hottest, smartest girls to ever graduate from Oxford High School.

I'm in college now, in England, and I was glad to get away from all the losers back home, but I decided to go back for homecoming this year, just for the hell of it. I went to the football game and it totally sucked. I expected that, the Wolverines suck, so I wasn't too disappointed, but when I was at the snack bar, I ran into my old English teacher, Miss Mueller. I used to love her class, and even though she's like forty-five, she's kind of HOT. Seriously, she's tall and thin (for an older lady), and she's got beautiful curly hair. I always thought she must have been super hot when she was young.

So anyway, I went to get a soda and there she was, getting hot chocolate! She's like, "Krista! It's good to see you, how have you been?" She invited me to come to her place after the game to catch up! So, after the game she drove me to her house and she made me a drink! I told her that I always liked her class, and she told me that she'd always liked me. She had her hand on my knee when she said that, and then she slid it up to my thigh, then under my skirt! She started touching me through my panties, and, well, it felt AWESOME!

I was kind of excited, but still, she was my TEACHER, so I wasn't sure what to do — but SHE knew what to do! She got down on her knees and pushed her face up against my crotch! I could feel her mouth pressed up against my private parts, all warm and soft, and it felt SO good! I don't know what was in that drink she gave me, or if it was just her face down there, but I felt all warm and kind of melty suddenly, and I realized that she wasn't my teacher any MORE! We were both adults now, so I could do whatever I wanted!

I've never been a lesbian or a weirdo with a fetish for older people, but Miss Mueller had it going ON. She ripped my panties off and stuck her face between my legs, and started licking and sucking and kissing. It was like my insides were turning into molten lava, it made me so hot! She started putting her fingers inside me, and moving them around in just the right way! I've done some sexy things with boys, but none of them knew what to do with their hands down there. Miss Mueller, though? She knew EXACTLY what I wanted! After a few minutes of her fingering and licking me, I felt this explosion of pleasure in my crotch! Miss Mueller stopped licking and looked up at me with a big grin.

"I've been wanting to do that to you ever since your first day in my class, Krista," she said. Then she took off her pants and straddled MY face! I was afraid I wouldn't know what to do, because I'd never been that close to a pussy before, but I just winged it. I guess I did a good job, she started grinding her crotch in my face until I thought I'd suffocate! Then, she started screaming really loud, and her pussy got really wet! She collapsed onto the couch, and she said she had to take me home before her boyfriend got back! I couldn't believe it! She had a boyfriend, but she was mouth-sexing her ex-students!?

I've never seen Miss Mueller again, but I wanted to tell the story, because if her boyfriend finds out and dumps her... maybe she'll give me mouth sex again!

After I graduated from high school this year I got a job at Hooters!

I was SO happy! I've wanted to be a Hooters girl for as long as I can remember! I like dressing up in skimpy outfits and showing off my body to men, it's almost like being a stripper except I don't have to take off my clothes! I get to wear tiny little shorts and a super-tight top and show my boobs off to everyone! Except, on my first day of working, I realized that, um, the guys at Hooters... like... were all kind of GROSS. Most of them were old and fat and a lot of them even brought their KIDS with them! I was like, WHAT? How am I supposed to make any money from a family with two kids? I can't sit on the dad's lap and bounce my boobs at him in front of a toddler!

Finally, this one guy came in, alone, thank god! He was way old, but still kind of hot in that silver fox way, you know? He sat alone at one of my tables, and I went over and leaned down in front of him so he could see my boobs, and he definitely liked what he saw! So, I started talking to him, and I put my hand on his knee. I got him a few beers and some wings, and pretty soon, I was sure he'd give me a big tip! So, when it was time for him to leave, I sat down on his lap. My manager came up and was like, "Lee Ann, that is inappropriate contact with a customer!"

I was so frustrated, I went, "No, this is inappropriate contact with a customer!" and I grabbed the silver fox's crotch! My boss went all red and screamed, "Get out of my restaurant NOW!" So me and the silver fox ran out, laughing. We got in his car, and he said, "I owe you a tip, hon," and unzipped his fly and pulled out weiner!

I wanted him to think I was sexy, and obviously he DID, so I let him show me how to hold onto it tight, but not too tight, and move my hand up and down the way he liked it. Then he showed me how to fit my mouth over his penis, and he really liked the way I did that! He liked it so much he started moving his hips so his penis was going deep into my throat and I thought I might even THROW UP! I felt the gear shift sticking into my chest and it was really uncomfortable, but he just kept shoving his penis into my mouth until suddenly he put it in there REAL deep and I felt all this goop spraying into the back of my throat!!

I thought for sure I was gonna barf then because I was kind of choking, but when he pulled his ding dong back out of my mouth, some of the white, thick and salty stuff dribbled out onto his pants. He got mad though, because I got his pants dirty, and he gave me \$20 and told me to get out of his car, and then he just drove away!

So now, I don't have a job, but I guess I'm pretty good at doing mouth sex! So if any of you guys want to give me a tip sometime, just let me know! I could sure use the cash!

So, I know it's geeky, but I used to really love Renaissance Faires.

I've always been into history and I thought the dresses were so fun! I ended up going alone a lot, because my friends were snobby about it. I didn't care, though, because I had an outfit I wore with a bodice so my cleavage would show, and I felt really, really pretty!

The summer after graduation, I got to know the people who worked there, like the knights who did the jousting, and even Queen Elizabeth! The knights introduced me to her. It was funny because she REALLY acted like the Queen even though she was just an actress named Emma! When they introduced me after the joust one day, she said, "Kneel, wench."

I did, and then she said, "Prithee, what is thy name?"

I said, "Stacey, your majesty."

She hiked up her gigantic skirt and said, "Stacey, as thy Queen and Sovereign, I command thee to lick the royal cunny."

I was like, "Huh?"

She then put a foot on my shoulder (I was kneeling, remember?), and pointed at her crotch! I was like, "Ooooh!" She then pulled me toward her with her foot, and my knees caught on my skirt and pulled the dress down so my BOOBS popped out! The knights laughed. I thought, "Well, she's pointing at her pussy and my boobs are out, so I might as well!"

So, well... I ATE her royal PUSSY! Her "cunny" tasted salty and smelled musky, and it was wet with a little fringe of blondish hair that matched the

hair on her head. She seemed to like me licking it, but I couldn't see what she was doing up there, because her skirt was in the way.

When I stopped and looked up, she had one of the knights on either side of her, with their PENISES sticking out of their chain mail! She had one in each hand, and they were all looking at me with my boobs hanging out! The knights leaned down and touched my boobies, and then they both squirted white stuff out of their penises! They then went and sat down nearby. I guess they were done.

The Queen's cunny got really hot and drippy suddenly, and she stepped back. Then she got down on her knees and pushed me onto my back, lifted up my skirt, and then she started licking at MY cunny! It felt SO good, all warm and wet and really, like, royal, I guess! She put her fingers inside me and wiggled them! The knights were watching, and when I looked over at them, I suddenly shook all over and I felt like my insides were evaporating!

After that, the Queen got up, helped me to my feet, and said, "We thank you, dear wench, for your services." With that she turned around and walked away. The knights escorted me out, and that was it!

I went back to the Ren Faire a few times, because I really wanted to do it again, maybe with one of the knights, but they ignored me! So, I don't do the Ren Faire anymore, but hey, I still get to have sex with the Queen anytime I want to!

I've always been a dork. In high school I was in orchestra and marching band and I liked to stay home and watch movies instead of going to parties. I never made many friends, but by the time I graduated last year, I realized that I needed to learn to be cool!

So, right after graduation, I got a job as a handyman with a local construction firm, and I started going to parties. At first, nobody would talk to me, because none of the cool kids even knew who I was! After a while, I learned not to just stand by the door — I started conversations with people, and eventually people started talking to me!

One night, I was at this party with all the popular kids, and they wanted to play a sexy game called Spin The Bottle! I was nervous because I never did ANYTHING sexy in my life! We were spinning this bottle on the floor, and the popular girl spun it, and it landed on me! Everyone started cheering and said we had to go into this closet together, which I thought was weird, because she was a GIRL! Her name was Marianne and she had long blond hair and big boobs, and before we graduated, she was the captain of the cheerleading squad.

When we got in the closet, I turned on the light, but Marianne turned it back off, and in the dark, I could feel her massive boobs pressed up against me! She started kissing me! I never kissed anyone before! Then, she started putting her tongue in my mouth and touching my boobs with her hands! It was weird because I knew she was a girl, but in the dark, I couldn't really tell, and the way she was kissing me and touching me, it felt really good! Even though I'm not a dyke, I totally let her do me!

Pretty soon, she had her hand up my shirt and she was kissing my neck. I never felt anything so nice in my whole life! Next, she stuck her hand down my pants, past my bush, and started rubbing me between my legs where it felt like I was on fire! I was like, "Oh my god!" but she told me to shut up and pushed me against the wall. I tried to make her stop, because getting touched down there can give you diseases, but... like... wow, it felt so good! I couldn't possibly make her stop!

It felt like the closet was getting hotter, and suddenly it was like I melted into a puddle! I had my eyes closed, but I could see these bursts of light and it felt like my body was going to swallow Marianne's hand! I think I might have screamed, because Marianne said, "Shut the fuck up! People are gonna' think we're dyking it up in here!" She took her hand out of my pants, turned on the light, and walked out of the closet. That was it. I spent the rest of the party just sitting on the couch grinning.

I went to a few parties after that, but we never played that game again. Marianne sometimes drove me home and put her hand down my pants, and I loved it! I thought maybe if I posed for TIGHT magazine I would meet more people who would want to touch me down there since Marianne went to college now and I'm kind of bored, so call me guys!

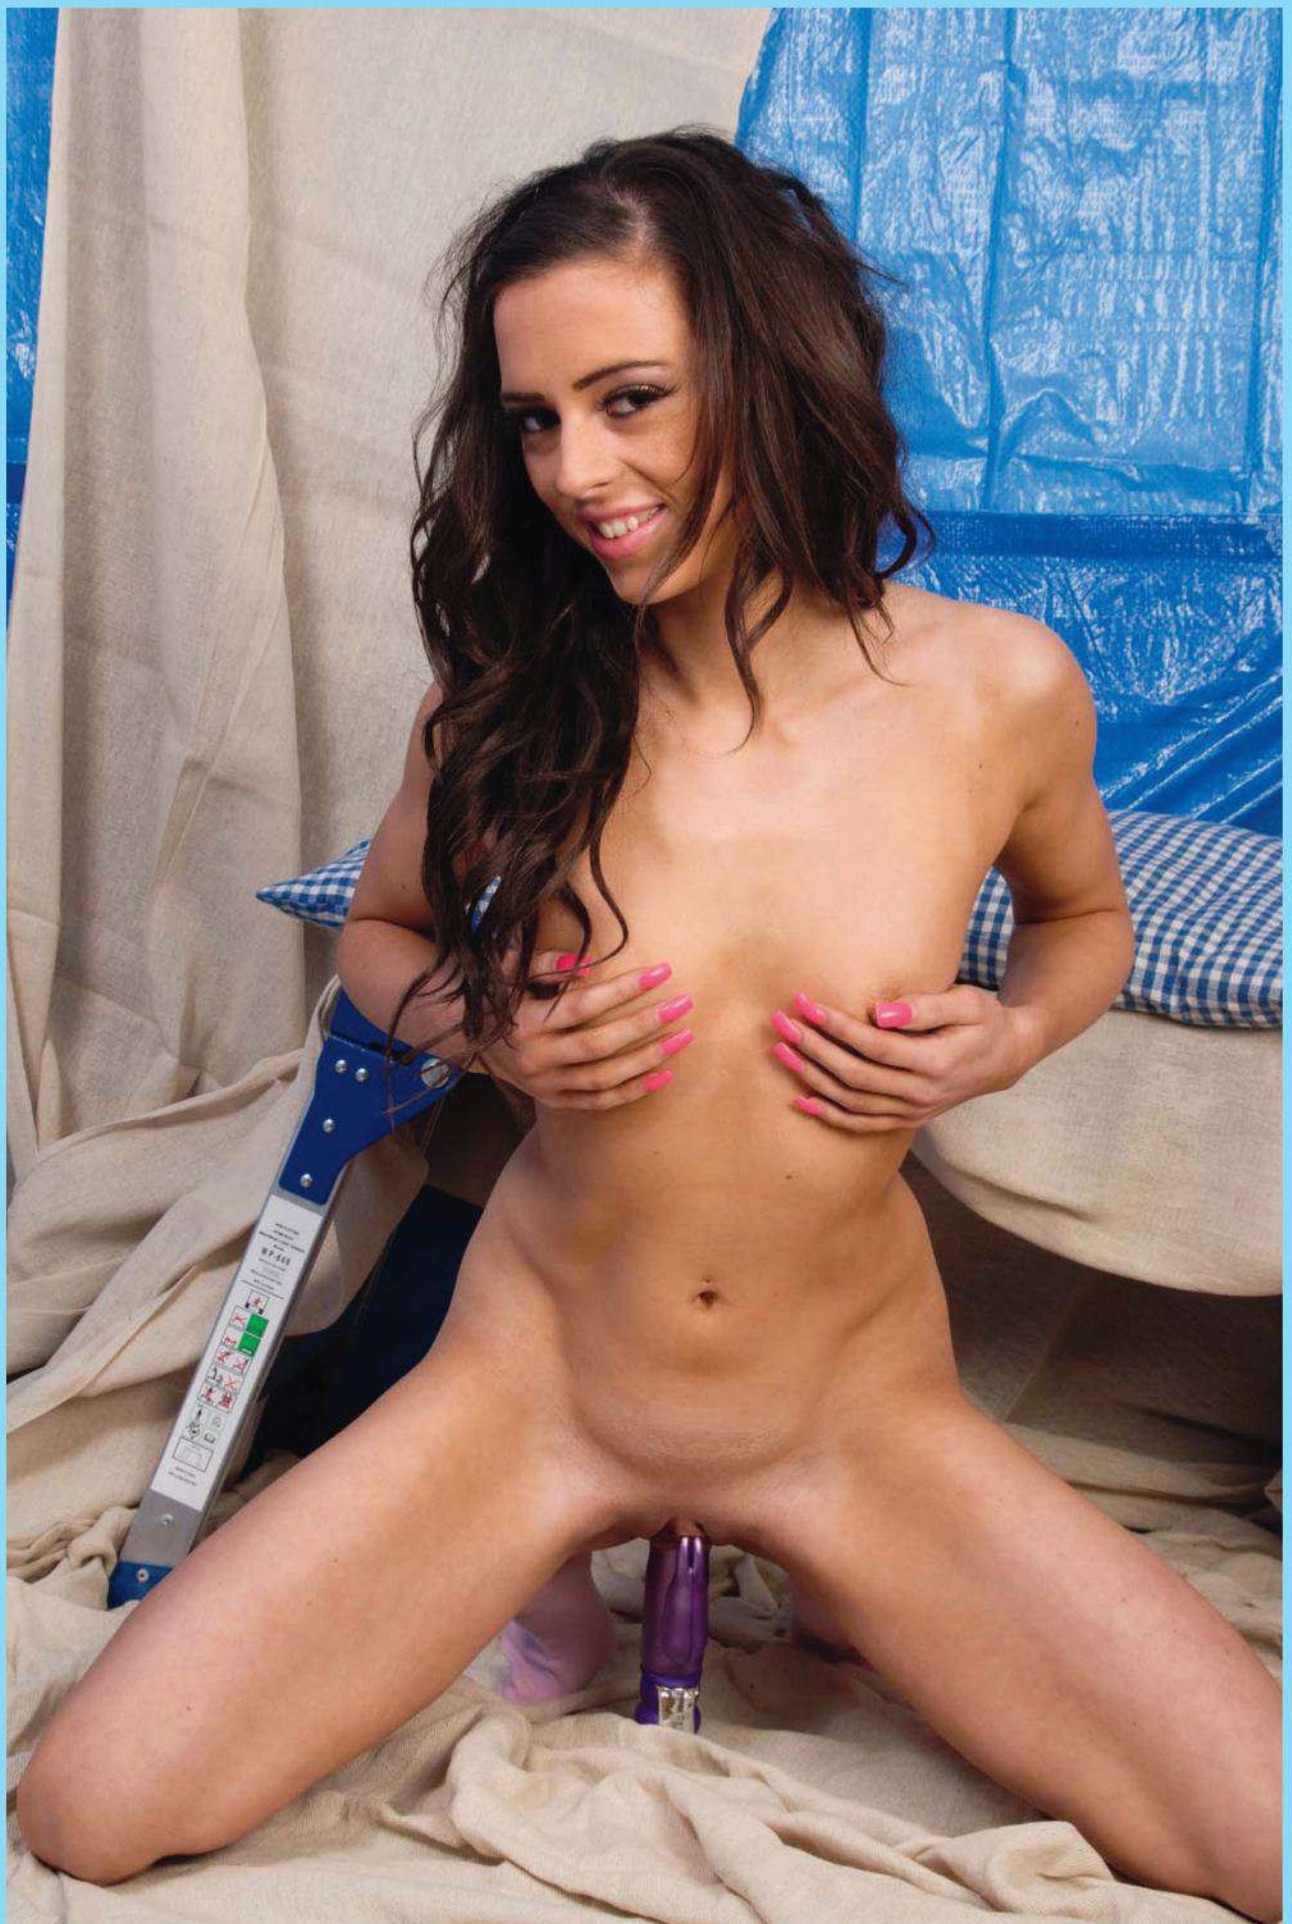

CITY
DAYS

I live in Oklahoma, and we get **CRAZY** weather sometimes.

I'm used to it though; tornado warnings and alerts are just part of life here, but every time there's a tornado, people freak out. It's such a pain! I hated that when I was in high school because they'd make us all go home. I was really involved with extracurricular activities, so I got mad when we didn't have club meetings!

My favorite club was one I ran with my friend Lacey where we tutored after school. Well, this one day, right at the end of the day, there was a tornado warning, but me and Lacey were setting up for our meeting, so we didn't hear the announcement! We waited for a while, and nobody showed up, and after an hour, we figured out what must have happened.

I was like, "Oh my god, we're probably the only people in the **WHOLE** school right now! What should we do?"

Lacey sat at the librarian's desk and put her feet up on it. "I guess we're gonna' do whatever we **WANT!** We can be bad!"

I'm not the type who does bad things just to do them, but Lacey is! She pulled up her skirt and showed me she wasn't wearing **ANY** underpants! "Talk about bad," she said, and then she started rubbing her mound with her fingers! I was so embarrassed! I couldn't believe the vice president of my tutoring club was doing that in front of me! I didn't think girls even **DID** that! Gross! Lacey's face got really relaxed and she looked like she was feeling **SO** good, and then it occurred to me that maybe being bad was kind of, you know, fun!

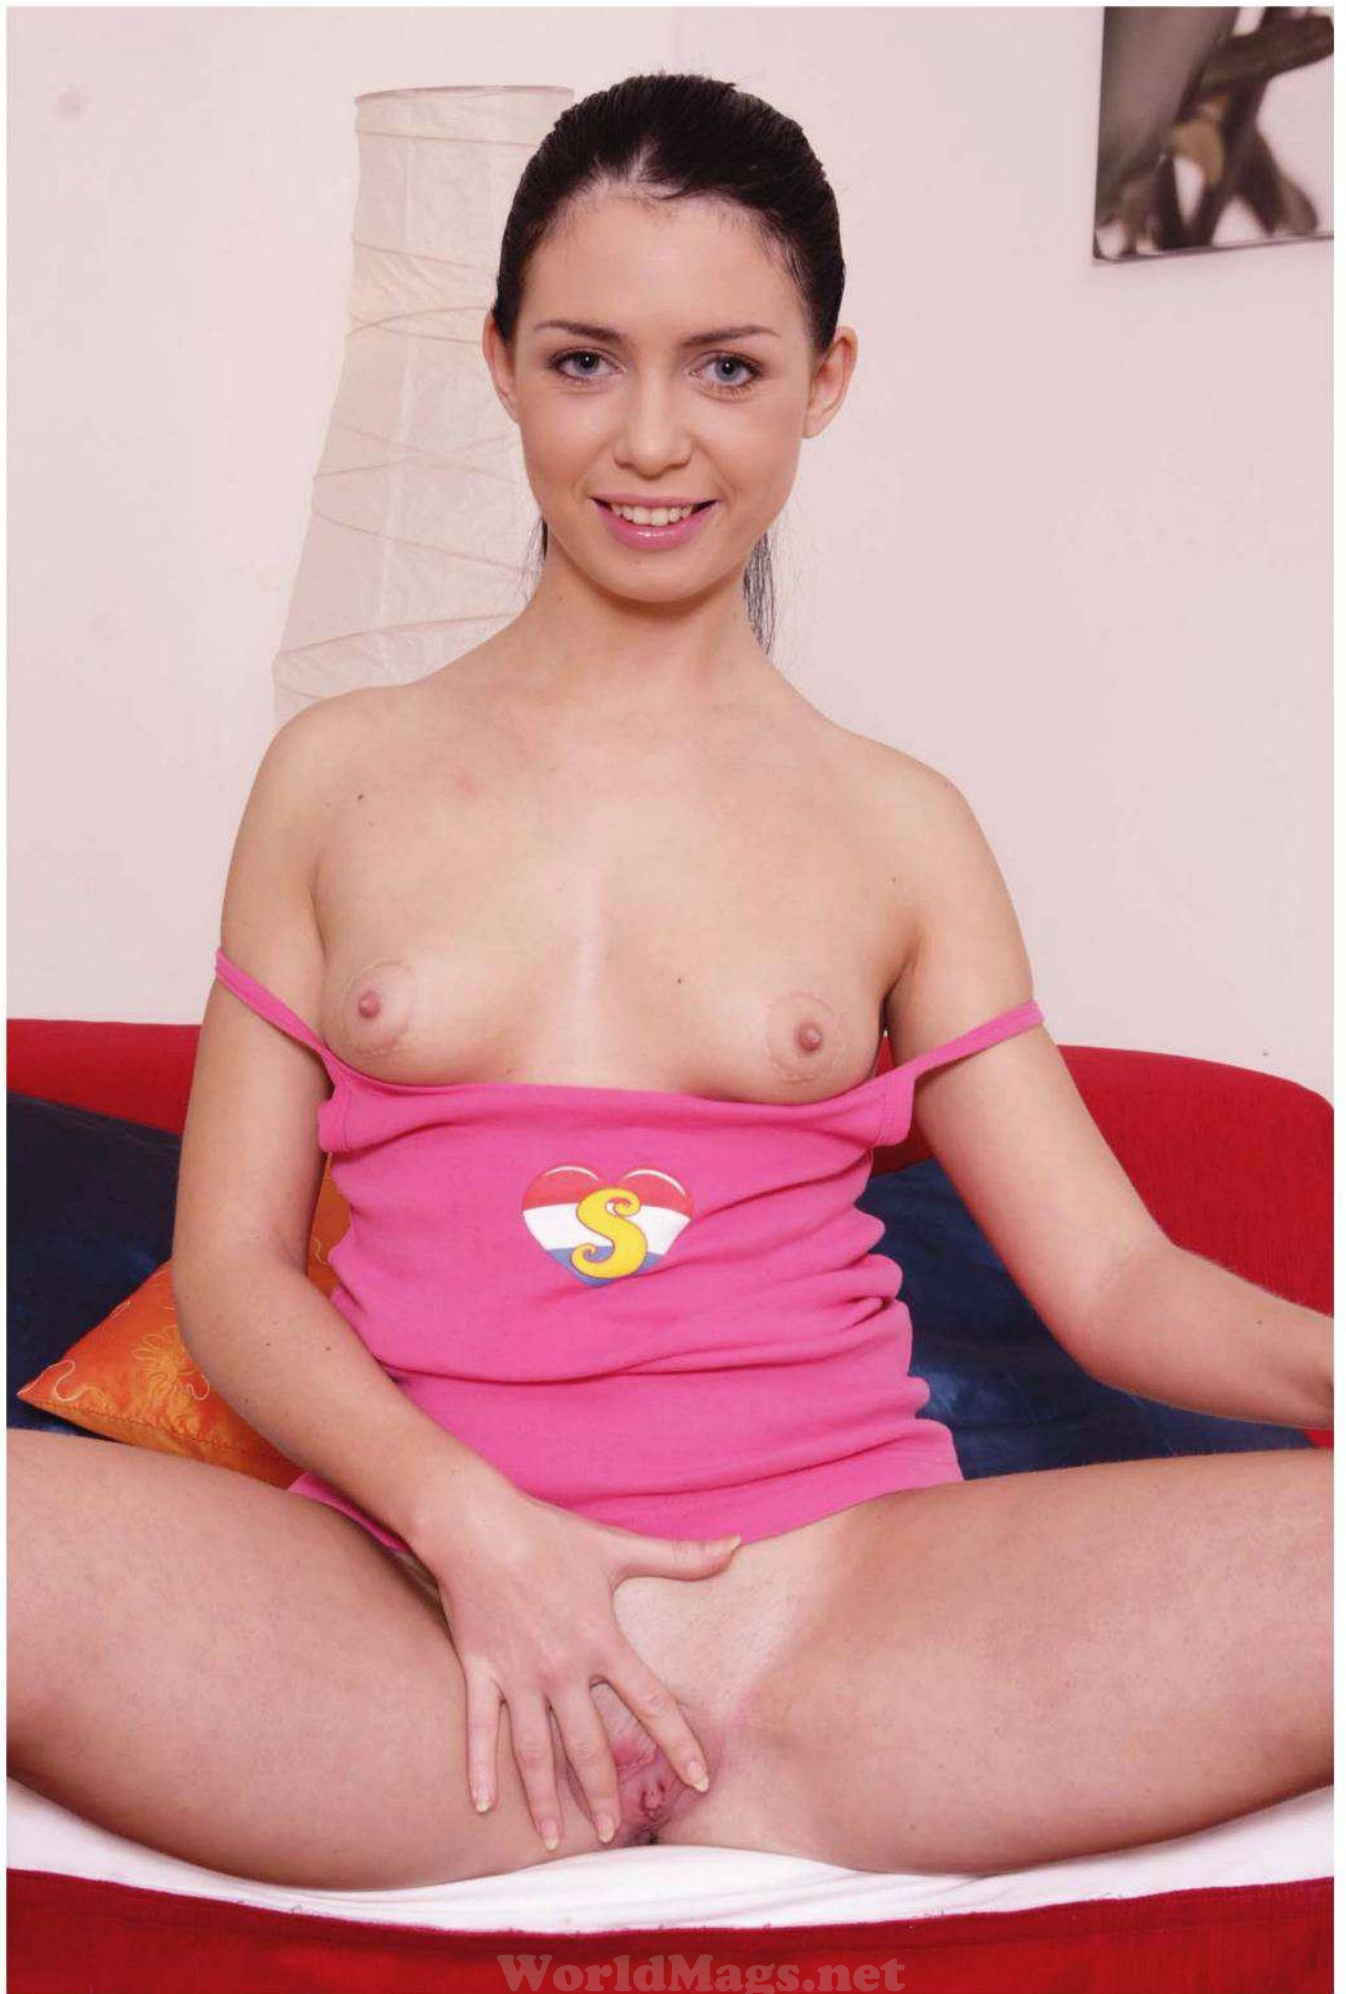

So, I went over to Lacey and I got down in front of her and I started rubbing her like she'd been doing. Her eyes got real wide and she was like, "Heather! You bad girl!" Just on a whim, I took two of my fingers and I stuck them right inside her little hole, like I saw a person do on the Internet once! She fucking **LOVED** it, too!

After a few minutes. Lacey went all rigid and said she "came really hard." I didn't know what that meant, so Lacey showed me. It felt soooo exciting to be all exposed in the library! She used her mouth on me, and soon I felt all my muscles get really tense and then — **WOW!** They like exploded, or I exploded, or the **ROOM** exploded! Lacey said that meant I "came really hard," too.

We were stuck at the school for hours until our parents realized we were missing and came looking for us. When they found us, we were both fast asleep because, well... we must of both "came really hard" at least five times by the time they got there! I could never study in the library again, though, because Lacey and I would start giggling every time we went near it! Now, whenever there's a tornado I always get super horny!

I live with my dad and his girlfriend Sonya, and her son John.

John is a little older than me, and it's weird that he lives with his mom instead of having his own house, but he's pretty cool. The only strange think about him is that he's REALLY into vampires. Like, really, really, REALLY into vampires. Sometimes he dresses up in a cape and he wears these fake fangs over his real teeth! He never goes out dressed like that, but he walks around the house in his vampire outfit. It's pretty dorky. He lives in the basement, and he has it set up like a dungeon, with no light coming in through the windows, as if he's really a vampire and the sunlight will hurt him! Sometimes he even puts on face paint so he looks super pale, but, hey, whatever. I think he's a dork, but then again, I love shopping, and I totally geek out over purses and shoes, so I guess we all have something we love doing.

I try not to judge John, but there's this one thing he does that gets super creepy. Sometimes in the middle of the night, I'll wake up and John will be in my room, dressed in his cape and fangs, with no shirt on. I pretend I'm asleep and he goes away after a while, but sometimes if I open my eyes a little, I can see him touching his crotch through his leather pants! He'll stand there and touch it for a while, and his breathing gets all heavy, and then he'll leave. Weird, right?

sam

Sometimes, instead of just standing there, he'll come over to my bed and lean down over me like he's really a vampire, and then he'll lick my neck like he's about to take a bite, but he never does bite, even though I know he'd love to, because I guess he doesn't want to wake me up. Lately, when he's licking my neck, he's been touching himself too, through his pants. Sometimes he even takes out his dick and strokes it while he's licking me, which is kind of creepy, I guess. It's kind of hot, too, honestly!

Sometimes, John moves so that instead of licking my neck, he's stroking his penis right over where he licked, and a lot of the time he rubs it up against my neck until he makes a weird noise. One time I opened my eyes a little when he made that noise, and he had his eyes closed and was holding a dirty sock over the end of his dick! I don't know why he had that sock there. Afterward he leaned over and licked my neck again, and then... this is the weirdest thing... he wiped the sock on my neck and left something wet there!

Then he just walked out, real quiet. I don't know what his deal is, but hey, if he wants to be a vampire and do weird stuff at night, I guess I don't mind. Most the time, after he does the routine with the licking and the sock and my neck and stuff, I get really turned on and sometimes I masturbate! Don't tell John though because then it might get really weird if he knows I'm awake when he does that stuff, okay?
